Introduction

Thank you for purchasing *Synonym Dinosaur Puzzles*. It is my hope that these printable puzzles will be an enjoyable activity that will help your students learn about some of the basic synonyms in the English language.

These *Synonym Dinosaur Puzzles* can be used in a variety of ways. They can be completed by students individually or in small groups. They can be added to learning centers, placed on Montessori learning trays, or used in the home. They are suitable for ESL, Special Ed., and regular education students.

In this printable pack, you'll find two sets of labels, directions, answer keys, and synonym puzzles for two levels of difficulty. The first level uses simple words and the second level more challenging words. Also included is a bonus synonym poster to hang on your wall or bulletin board.

2. Use glue or clear packing tape to attach each label to a standard 4 1/8" x 9 1/2" or larger envelope.

5. Cut out the dinosaur puzzle pieces.
6. Store all parts in the envelopes.

Instructions for Use
