Instructions

Bear Color Match Activity: Print all four pages on card stock. If you wish to make a file folder activity, print the Bear Color Match pages on paper and glue them to a file folder. Laminate for durability if desired. Cut out the cards. Have the child practice matching the flowers to the bears or the words to the bears.

Bunny Size Ordering Cards: Print the page on card stock. Laminate for durability if desired. Cut out the cards. Have the child place the cards in order from smallest to biggest.

Bear Size Sorting Activity: Print both pages on card stock. If you wish to make a file folder activity, print the Bear Size Sorting Mat on paper and glue it to a file folder. Laminate for durability if desired. Cut out the cards. Have the child place the cards in the correct boxes on the mat.

Complete the Pattern Activity: Print both pages on card stock. If you wish to make a file folder activity, print the Complete the Pattern page on paper and glue it to a file folder. Laminate for durability if desired. Cut out the cards. Have the child complete each pattern by placing the correct card on the square.

Counting Activity: Print all three pages on card stock. If you wish to make a file folder activity, print the Count pages on paper and glue them to a file folder. Laminate for durability if desired. Cut out the cards. Have the child count the pictures and place the correct number card on the square.

Number Cards: Print all six pages on card stock. If you wish to make a file folder activity, print the cards on paper and glue them to file folders. Laminate for durability if desired. Cut out the counters. Have the child place the counters on the circles on each card.

Number Puzzle: Print the page on card stock. Laminate for durability if desired. Cut the puzzle apart. Have the child complete the puzzle.

Bunny Shape Sorting Activity: Print all three pages on card stock. If you wish to make a file folder activity, print the Bunny Shape Sorting Mats on paper and glue them to a file folder. Laminate for durability if desired. Cut out the shapes. Have the child put the shapes in the correct boxes on the mats.

Memory Cards: Print two copies of the page on card stock. Laminate for durability if desired. Cut out the cards. Have the child play the Memory game with the cards.

Posters: Print the posters on paper. Laminate for durability if desired.

Worksheets: Print the worksheets on paper. Have the child follow the directions on each page.
