Introduction

Thank you for purchasing this puzzle activity book. I hope that it brings your child many hours of enjoyment!

There are 15 puzzles in this book which range in size from 4 pieces to 16 pieces. These puzzles were designed to be used in a variety of ways.

- The full-color puzzles can be used alone. Simply print off the puzzles on white printer paper or card stock, laminate the pages, and cut out the puzzle pieces.
- The puzzles can be assembled on top of the grayscale images. The grayscale pictures act as an added visual cue for the child. Print off the puzzles and grayscale images on white printer paper or card stock, laminate the pages, and cut out the full-color puzzle pieces.
- The puzzles and grayscale images can be used as a cut-and-paste activity. Print off the puzzles and grayscale pictures on white printer paper. Have the child cut out the full-color puzzle pieces and paste them on the grayscale page.

There is also a bonus 9-piece ABC puzzle located in the back of the book. This puzzle is intended to help your child learn the letters of the alphabet and their proper sequence.
